This is a new heading, and may or may not last....it should (hopefully) contain the nitty-gritty (to use a liberal phrase) irritations of Austin, those that you really don't get angry enough about to go do something, but feel you ought to....since I can't hear it all, it will depend upon your writing or calling the Ragbag for yours. Take the heading and the few items below for samples....

TWO WEEKS ago KTBC radio carried a CBS program of correspondents candidly
