

In my never-ending quest to share with the world the songs of Townes Van Zandt, let me tell you how you can get some of your own.

Lyrics and music to 14 of his songs have just been published in a songbook called "For The Sake of the Song" (Wings Press).

The book includes photographic evidence that he lives, a short biography and brief commentary by Van Zandt on each of the songs.

If your sheet music store is no more reliable than your record store is about stocking Van Zandt, you can order directly from Wings Press, P.O. Box 25296, Houston, Texas 77005.
