

Sunday: Country music returns to the Kit Carson Amphitheatre. This time under the sponsorship of the Escondido Parks and Recreation Department.

Music provided by the hotter-than-hot local band Harmony plus another local band named Dakota. Showtime is at 4 p.m. and tickets are available at the gate...The Carla Bley Band plays jazz at Sherwood Hall in La Jolla. While I'm not familiar with Bley's works, reports from my colleagues to the north have been ecstatic and lavish in praise...Hootenanny veteran Ramblin' Jack Elliot teams with C&W songwriter-performer Townes Van Zant, whose credits include tunes for Emmy Lou Harris, for a night of remembrances and songs of railroads and other Americana at the Belly Up Tavern. Elliot is perhaps best remembered as being Woody Guthrie's traveling companion.
