

On The Town: The obvious reaction to the New British Invasion is to go out and support your local Texas Invasion. Tonight, you can do that by seeing the **LeRoi Brothers** and **True Believers** at Antone's, **Secret Six** and **Maxwell** at 6th Street Live, or **Townes Van Zandt** at Waterloo Ice House, and for all you shut-ins, **Beau-soleil** will be on "Prairie Home Companion" on KUT from 9 till 11 p.m.
