

## **IN CLUBLAND —**

Singer/songwriters **Townes Van Zandt** and **Guy Clark** will bring a little bit of Texas to Sacramento when they play Melarkey's Wednesday as part of that club's series of weekly acoustic shows. Van Zandt, whom the Los Angeles Times has called "a cross between **Woody Guthrie** and **Leonard Cohen**" is the writer of "Pancho and Lefty," a big hit for **Willie Nelson** and **Merle Haggard**. Clark is a cult songwriter whose songs have been recorded by **Ricky Scaggs**, **Johnny Cash**, **Jerry Jeff Walker** and **Bobby Bare**.
