

## **THEY WRITE THE SONGS:**

Songwriters don't always receive the credit for the hits they write. Maybe they don't have the

right look or voice to become a commercial success. Mac McAnally, Townes Van Zandt, David Olney and Greg Tropper are among the best of this breed. Saturday night the four singer/songwriters will be in the spotlight at The Bottom Line, 15 W. Fourth St., in Greenwich Village. Show times are 7:30 and 10:30 p.m. Admission is \$15. Call (212) 228-6300.
