

Country Music: End to the doldrums

By TOWNSEND MILLER
Special Writer

Local country music clubs pulled out of the Christmas week doldrums with a spate of activity Saturday night moving toward a big New Year's Eve celebration will be the grand opening of the huge new Silver Dollar Club located north of the junction of Burnet Road and Highway 13.

MIAMI (AP)—An auxiliary police unit composed of college students has helped reduce the number of holiday-season crimes committed against downtown businesses and features a large hardware store, dance floor, carpeted seating area, and ample parking space and will serve mixed drinks.

Billboard magazine cites Rusty Wier's new album as a "Top Pick." The magazine says "Wier will eventually prove to have the widest reaching impact of any of the PRAIRIE TEXAS 'cowboy' stars." Don't categorize Wier like Wayne Jennings, Willie Nelson, Tempus Oboler, Kinky Friedman, and a few others, this man is in the vanguard of those whose music stands simply as music.
