Network honcho Mitchell Baldwin (left) was introduced to Murphy and the 'FYI' staff last year.

'Murphy Brown'
WCPX-Channel 6
VCR Plus: 37617

Who would have thought that when network Vice President Mitchell Baldwin (Julius Carry) was introduced last year to the 'FYI' staff, that it might lead to romance? In tonight's episode, 'Black and White and Read All Over,' Baldwin escorts Murphy (Candice Bergen) to a high-profile fund raiser. They then become the talk of the town, which only encourages them to continue dating.
